

## Scholar Award

### Purpose

To acknowledge an individual physical therapist who has made significant contributions to the body of literature in physical therapy or in other health care disciplines in the areas of theory, practice, basic or clinical research, education and administration.

### Eligibility

Nominees must have been actively engaged in writing and publishing professional literature for a sustained period of not less than five (5) years.

### Criteria for Selection

1. The nominee must be a physical therapist who has made a significant scholarly contribution in the areas of theory, practice, basic or clinical research, education or administration.
2. The nominee must have published in at least two (2) different health care professional journals, or contributed to at least two (2) books or monographs or proceedings from scientific meetings.
3. Scholarly work must reflect expertise of subject matter, innovation of ideas and clarity of expression.
4. Examples of the nominee's published writings must be provided. These examples should be from health profession's publications, both within and outside the discipline of physical therapy. Publications can include scientific journals, books, monographs or proceedings from scientific meetings. [Note: Since all materials have to be sent to three (3) individuals for review, it is not practical to submit books or other bulky or expensive publications.
